

90 Manchaug Road, Sutton, MA 01590

We're looking forward to opening Wednesday, April 15th, but as the public health concern surrounding the Coronavirus (COVID-19) continues to grow, we wanted to reach out to you with an update on precautions that we are taking. We are closely monitoring the situation and following local, state and federal guidelines in responding to the Coronavirus.

The evolving nature of this event requires us to be flexible in how we respond and provide service to you, our guests. Governor Baker recently set a limit of 25 people on public gatherings so our pavilion and game room will remain closed until this restriction is lifted, but our restrooms and laundry facilities will be open. We are working hard to be prepared and have preventive programs in place to reduce the likelihood that our operations would be significantly affected by the Coronavirus that include:

- We have advised our team to stay home if they exhibit flu-like symptoms and we will continue to monitor, taking appropriate action to reduce exposure.
- Our Housekeeping team will be especially vigilant in disinfecting frequently touched areas and will be cleaning and disinfecting facilities more frequently.
- We ask all our guest practice the government's guidelines to keep safe and practice a 6' personal space area.

**Sutton Falls Camping Area, Inc.** provides an outdoor camping experience with 60 acres of recreation land. We are committed to providing our guests and workers an enjoyable and safe getaway in nature.

Again, we will be opening on Wednesday, April 15 and look forward to welcoming all our guests.

Sincerely,  
Sutton Falls Camping Area, Inc.
